Getting the Shot - Better Sports Photography with Tony Avelar

Tony Avelar is a highly experienced and widely published professional photographer known for his outstanding sports pictures.

Join Tony on **Saturday October 10th and Sunday October 11th** and he'll share the techniques and approaches professionals use to get great sports pictures and show you how to apply them. Tony's sports photos have seen in ESPN, Real Sports, Runner's World, Volleyball, RISE, Athion, and other prominent sports magazines. His work has also appeared the SJ Mercury News, SF Chronicle, Los Angeles and New York Times, as well as through regular AP and Christian Science Monitor assignments.

Talented, practical and personable – Tony is a gifted, natural teacher who enjoys helping enthusiasts, coaches, parents, grandparents, volunteers, friends and family members take better sport photographs of their favorite teams and players.

Great for Team and League Websites, Newsletters,
Personal Scrap Books and Albums!

Cost is \$65.00 – Includes Snacks and Bag Lunch
